Graduation with Honors

Graduates who have compiled superior academic records during their coursework at UDM will have one of the following honors inscribed on their diploma and recorded on their permanent academic transcript: cum laude (3.50 GPA minimum), magna cum laude (3.70 GPA minimum), summa cum laude (3.90 GPA minimum). All coursework in the cumulative GPA at UDM is used in the calculation for honors. Transfer students must complete at least 60 hours at UDM to be eligible for honors recognition. The responsibility for determining appropriate academic honors rests with the individual colleges/schools. Candidates enrolled in the Honors Program, who have completed the established requirements of the program, will have honors suitably inscribed as part of their degree name on their diploma.

These GPA requirements are in effect for students entering UDM as of fall 2011.
